

Good Faith Estimate

YOUR RIGHT TO KNOW WHAT YOUR CARE WILL COST · ROOTED RESONANCE COACHING & THERAPY

Annie Memmott, Licensed Professional Counselor · Licensed in Ohio, Arizona and Colorado

Under the No Surprises Act, health care providers must give people who are uninsured, or who are not using insurance, an estimate of the expected charges for services before care begins.

What you are entitled to

- A Good Faith Estimate in writing at least one business day before your first appointment.
- An estimate of the total expected cost, including the anticipated number of sessions where that can reasonably be predicted.
- An estimate on request at any time, before scheduling anything.
- A copy you can keep, with a copy saved in your record.

Current self pay rates

Service	Rate	Notes
Therapy (somatic or relational)	\$150	Per session. Most major insurances also accepted.
Sound Healing	\$60	60 minutes. Wellness service.
Breathwork	\$75	90 minutes. Wellness service.
Workshops	Varies	By format and length. Wellness service.

Therapy is the service the No Surprises Act applies to. Sound healing, breathwork and workshops are wellness and educational services rather than health care. Their pricing is listed here for transparency.

How to request one

Ask at any point, in session or in writing, and I will provide a Good Faith Estimate. You do not need a reason, and asking does not commit you to scheduling.

If your bill is higher than your estimate

If you receive a bill at least \$400 more than your Good Faith Estimate, you can dispute it. You have 120 calendar days from the date of the bill to start a patient provider dispute resolution process. Keep a copy of your estimate.

For questions or more information about your rights, visit www.cms.gov/nosurprises or call 1-800-985-3059.

Somatic and relational therapy are psychotherapy, provided under Annie's counseling licenses to residents of Ohio, Arizona and Colorado. Sound healing, breathwork and workshops are wellness and educational services, available anywhere, and are not psychotherapy, diagnosis or crisis care. If you are in crisis, call or text 988.
